Re: McCray v. Samuel I. White, P.C., et al.
Civil Action No.: GLR-13-CV-1518

Dear Judge Russell:

As a pro se litigant in the above referenced case, I am experiencing a serious communication problem with Mr. Robert Hillman the attorney representing the defendants in this case. On several occasions, I have notified Mr. Hillman not to send me documents concerning this case via email, my preferred communication is via USPS mail. Mr. Hillman refuses to respect my wishes.

Although Mr. Hillman and I worked together via email to complete the Status Report, the list of 7 items, and the Revised Joint Scheduling Order. Mr. Hillman never notified me that he was filing a Joint Motion to Revise the Scheduling Order until after the motion was filed. He then emailed me a week later and attached the motion (see enclosed April 25, 2018 email communication). Mr. Hillman never responded to the questions I asked in the email, nor did he respect my request to stop communicating via email. Today, I received an additional five (5) emails from Mr. Hillman concerning discovery requests. Not only did I ask Mr. Hillman to stop communicating via email, I am having problems opening the 5 emails he just sent.

Therefore, I am requesting that you intervene in this matter, and if necessary to issue an order that all future communications from Mr. Hillman be sent to me by USPS mail.

Thanking you in advance for your immediate attention to this matter.

Yours truly,

Renee L. McCray

Mr. Hillman,

I never seen this motion. Did you already filed this joint motion? If so, I am not in agreement with your statement in #2. I did not agree to suspend discovery, as I stated in my emails I was under the impression that discovery was not to start until after the settlement conference.

So what are you asking me in this email? Are you asking if I would like to receive a copy of a motion I never seen before this email mailed to me? If so, the answer is yes, please mail me a copy of the motion. In the future, please do not file any motions on my behalf unless you first send me a draft copy. Further, as I stated before, I do not want any communication from you via email unless directed by the court.

Thank you.

Renee McCray
